The season of **Homecoming** generates a feeling of tradition. Following the designs of past patterns were the energy of Homecoming chairman Janie Mizuno, the excitement of twenty queen candidates, the inventiveness of Pep Squad spirit bowls, and the enthusiasm for a mighty football team. Crowning the week was the coronation of Queen Jane Carroll and the honoring of her court. Colorful floats, balloons, and the sparkling support of the enormous crowd accented the green and white action on the field below. Homecoming 1971 saw the emergence of the real giants, as the Upland Highlanders fired a spirited 42-8 win over Ganesha. Oct. 23 ringed Chaffey College with the "Autumn Glow" of the Homecoming dance celebrating our second consecutive Homecoming victory.

Candy canes and pink val-o-grams are just two examples of the happy feelings that were brought to the Upland High School campus by

Girls' League

The organization is composed of the female population of UHS, although many of its events involve the entire school. The leadership of president Jo Keebler, and advisors, Miss Kridler and Miss Duffy, created an active school club. Among the group's many activities were the Big-Little Sister picnic, slumber party, Father-Daughter dinner, and Mother-Daughter banquet. Tradition upheld, the Girls' League-sponsored Backwards Week was a successful addition to Upland life. The group supported Park Chon Yan, an orphan in Korea, and awarded a scholarship at the year's end. The Girls' League cabinet and representative council attended an April leadership conference, sharing experience and ideas.

The Girls' League cabinet members are: Top row, left to right; Sorena Sorenson - Decorations Chairman, Monica Keeney - Secretary, Jo Keebler - President, Terry Bivens - Sophomore Representative, Nancy Smith - Backwards Dance Chairman. Middle row; Kathy Krynski - Backwards Week Chairman, Gail Grainewich - Frosh Representative, Barb DeHart - Frosh Representative, Janie Mizuno - Welfare Chairman. Bottom row; Lisa Bond - Vice-President, Darian Strauss - Advertising Manager, Diane Gavigan - Senior Representative. Missing members are: Debbie Rix - Treasurer, Judy Hiramine - Junior Representative, Paula Pelton - Historian, Nancy Rietkerk - Slumber Party Chairman, Gale Pottorff - Mother-Daughter Chairman, and Cathy Oliverson - Big-Little Sister Chairman.

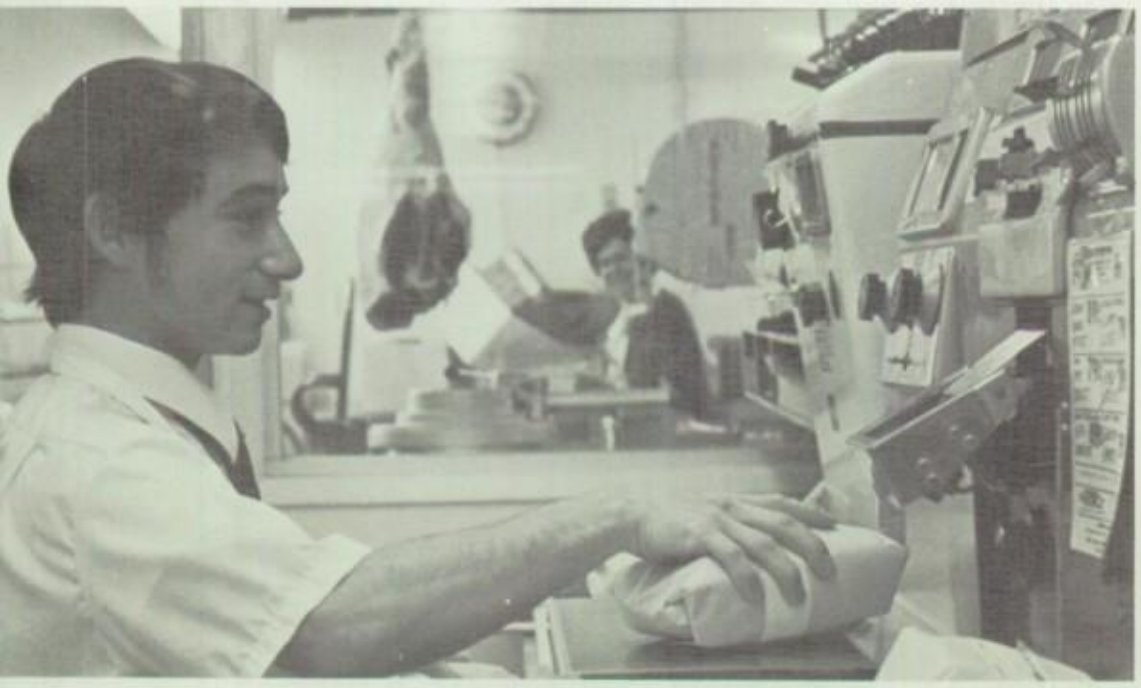
With the male's sacred ground of athletics being rapidly infiltrated by the female, the

Powderpuff Football Game

was no longer a matter of ruffles and bows. The well-executed plays revealed tough Junior and Senior teams. Many hours of practice and coaching led to an exciting game that soon disregarded the no-tackling rules. As the green and white cloud cleared, a 48-12 victorious Senior scoreboard appeared.



The Upland High School

Work Experience

Program provided 125 students with practical work experience and a sound direction toward a vocational goal. Mr. Carroll Smith, the program co-ordinator, supervised the participants who earned both wages and credit through the vocational plan. The students worked 4 hours on weekdays and 8 hours on the weekends at a variety of jobs in the Upland-Pomona area.

Abandoning its old format, this year's

Plaid Press

has surpassed it predecessors, not only in the quality of its stories and pictures but also in capturing student interest. Under the direction of Mr. Eichelberger, the Plaid Press staff put in hundreds of hours of work with hopes of making Upland High's newspaper the best in California. Many will agree that it is just that.

A distinguished staff added to the Plaid Press's many accomplishments. Co-editor Dan Kalbach was honored as the best high school editorialist in the nation by the American Newspaper Publishers Association-Columbia Scholastic Press Association for his excellence and objectivity in reporting. The Quill and Scroll Honorary Society recognized the talents of sports editor Mike Myers and photographer Ken Holme and presented them with the National Gold Key Award.

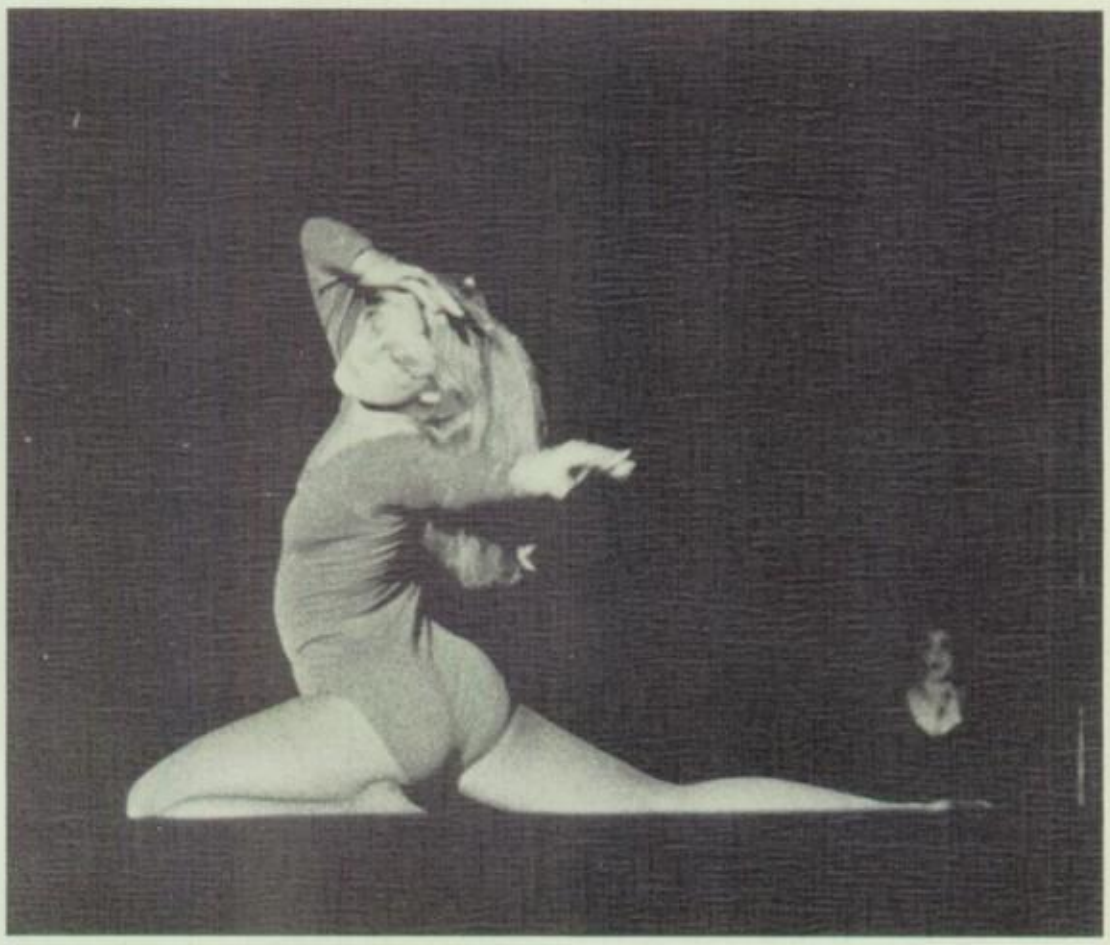
The decisive Upland-Montclair basketball game furnished an aura of excitement for the crowning of Renee Bentley, the 1972 Spring Sports' Queen, and her court. The festive dance, "Forever Spring," honored the Spring season's athletic activities on the following evening of February 19. Under the supervision of green-thumbed chairman Janie Mizuno, the Holiday Inn blossomed into a crowd of lively dancers.



Dance, a universal expression of life, came in leaps and bounds to the Upland High School auditorium with the

Modern Dance

class' annual presentation. "Meler," to mix, was the title of the January 19, 1972 performance. The program included duets, solos, comic, and serious routines. Culminating a semester's work, the 24 girls, under Mrs. Power's direction, combined their talents to create animal, sports, advertisements, and a variety of other routines. The evening's entertainment was a blend of natural grace and free-flowing style.

A record 200 couples attended the Girls' League Girl-ask-Boy event. The Pomona Ebell Club became the UHS "Small World" and the Fabulous Jades provided mood-music. King Doug Leo, crowned with the royal football helmet, reigned over the dance.

Drama Class

The theater presents a living chronical of human interplay. As such, the UHS theater offered all young aspirents the chance to whet their appetites on the performing arts. The first semester introduced Bill Collins, Celia Galbraith, Dave Glasa, and Teri Laughlin in the existential drama, "Impromptu" by Tad Mosel, which was performed for a variety of audiences.

Second semester, Mr. Peiquet joined the Highlander faculty and directed the drama students in a number of skits and short presentations.

They also brought home the spirit award from camp, and successfully continued with this glow throughout the year. Noted for their high kicks and bright smiles, the six 1971-1972 varsity

Song Leaders

combined their talent and energy into a great swing of spirit. Participation in pep rallies, competitions, and sports events, filled the girls' fast-paced year. They began their term by spending four days at Hibbard's Songleading Camp at Loyola University. There they earned a fifth place in competition and received a plaque as the fourth most improved squad. In March they competed in the annual State competition at Arroyo High School. The song leader's presence provided an added punch at all sports activities.

Beginning the year with a series of new and exciting cheers, including the now-classic "funky-chicken," the 1971-1972 varsity

Yell Leaders

introduced the charm of innovation into Upland High School spirit. Their sparkle and shine achieved a superior rating in final competition at the National Cheerleading Association's Redlands Camp. There they also received a trophy for their position among the top eight teams. With Beth Nikolin joining the squad for the spring activities, the girls were awarded a fourth place trophy in an N.C.A. competition at Sierra High School, and represented UHS in the state competition. As an integral part of Pep Squad, the yell leaders successfully supported all Upland teams.

The Upland Highlander

Marching Band

was a most valuable instrument in setting a tone of spirited excitement at many school events. The 149 membered band maintained a quick-rhythmed year, appearing in seven football half-time shows, six parades, and two concert performances. Under the direction of Elbert Warren, the band highlighted its season with participation in the Santa Claus Lane Parade, where it received an award for marching excellence. At Camarillo's Christmas Parade, the band tied for second place. Marching festivities changed to concert and symphonic band activities during the spring months. The annual band talent show, "The Rolling Head Review," directed by Pete Bradford, was the March spot-light. Phil Landstrom, President; Larry Crawford, Vice-President; Karen McCleary, Secretary; Pat Harvey and Debbie Vakerics, Treasurers; Griff Browning, Ad-Mgr.; and David Glasa, Student Director; were the band officers who kept the calendar swinging.

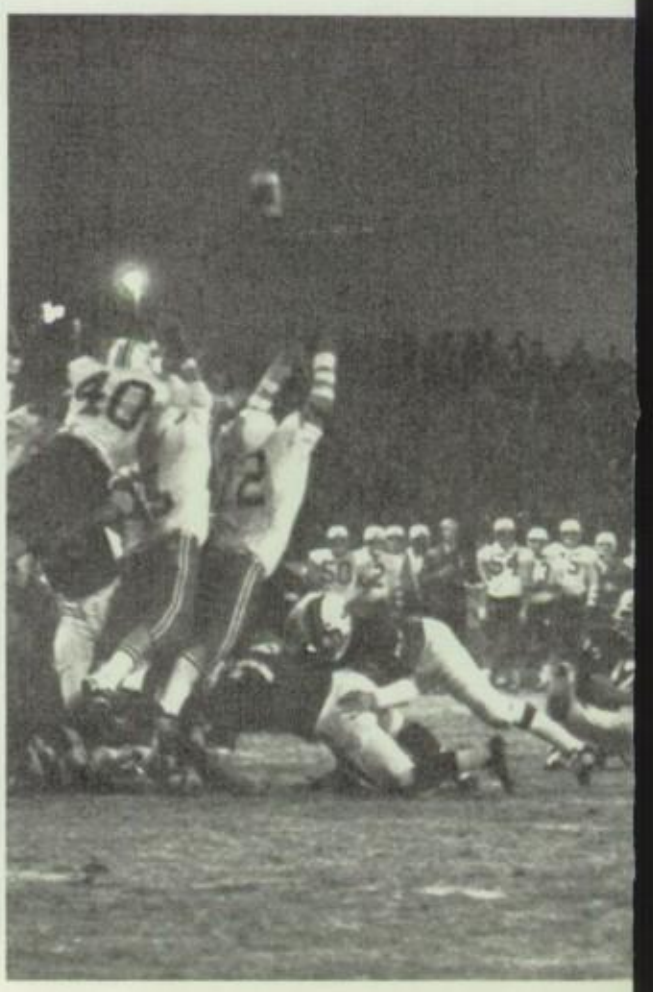
Captain
Grant Cooper

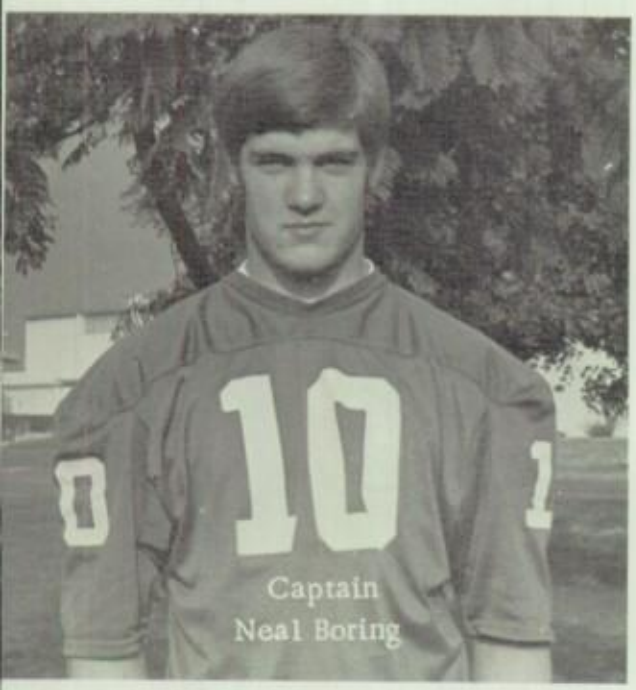


The 1972 **Varsity Football** team was the best in the history of Upland High. Before the season started they were ranked eleventh in the state and in CIF.

The game with Glendora was a perfect beginning. Against a team that is usually victorious, Upland played well. Scoring honors went to Chris Carter, Rocky Chapman, Neal Boring and to Mike Jakobic who kicked a 19-yard field goal.

The second game was against Alta Loma. By underestimating their opponents and going into the game with a little too much confidence, the Scots were upset, 17-6. Mike Scarborough scored Upland's touchdown and the game was considered the upset of all CIF.

For the first league game we played the Chino Cowboys. Contributing to the 53-6 victory were Quarterback Boring, Chapman, Scarborough, Jerry Stafford, Grant Cooper, and Don Boring, with Jakobic making 5 out of 8 kick attempts. The defense played as well as the offense as they limited the Cowboys to only one touchdown and blocked the kick.



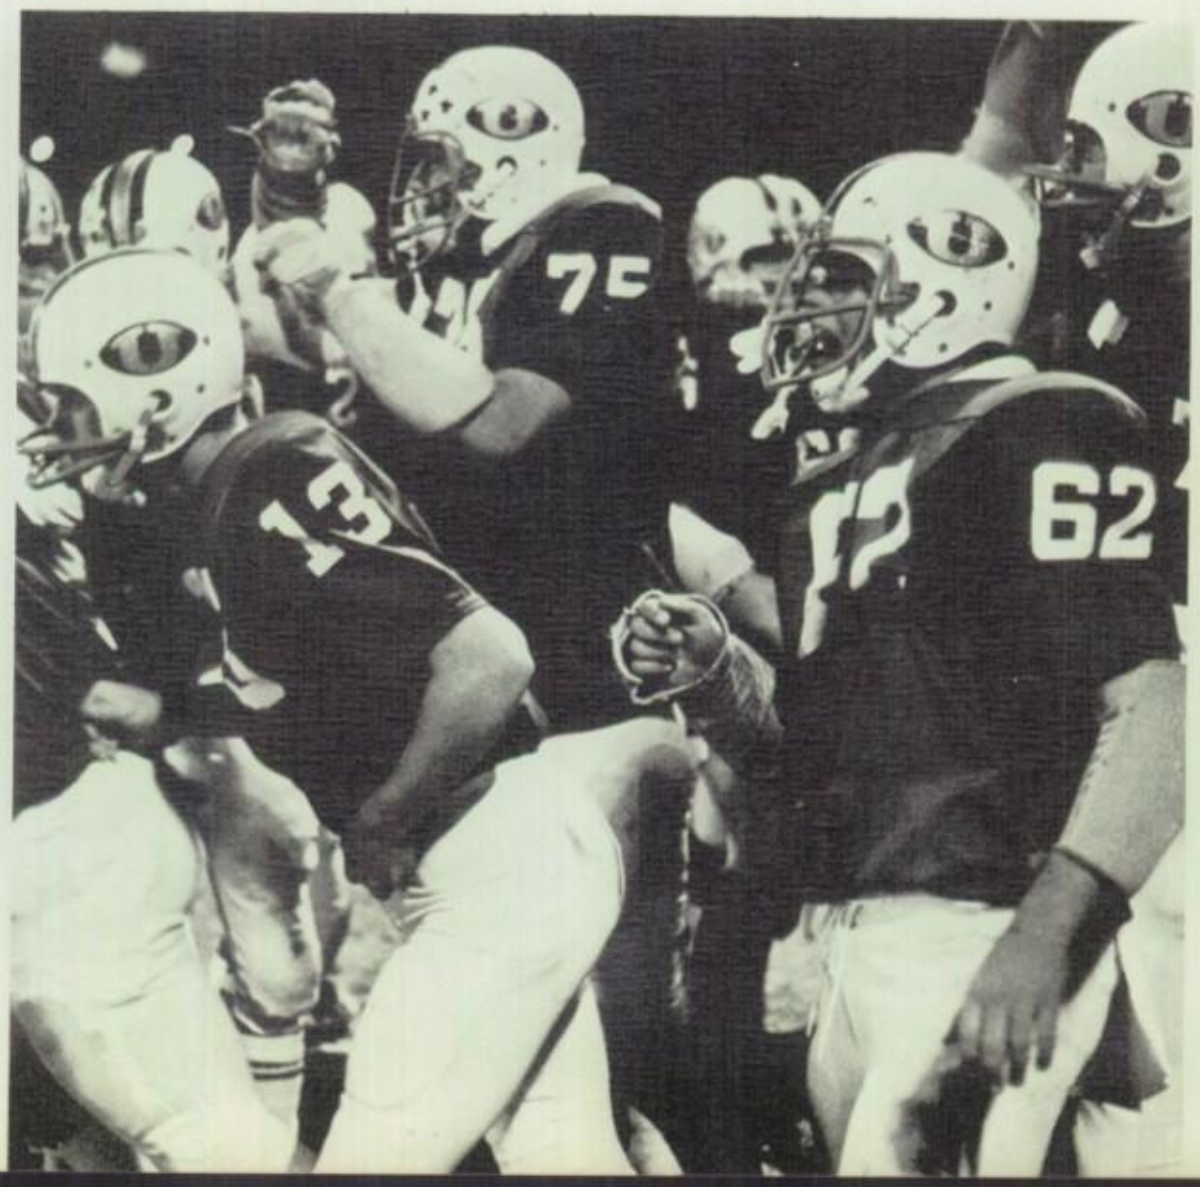
Captain
Neal Boring

The second league game was against Pomona. Going in as the underdog, Upland had to fight hard, but combining all efforts they defeated the Devils, 20-14. The superb ability of the Scot defense, led by All-SAL linebacker Cooper, kept Pomona from scoring when twice they came within a foot of the goal. Quarterback Boring had lone honors in scoring, assisted by Jakobic.

Homecoming set the scene for the next league game, with Ganesha the foe this time. Once more the Highlanders proved themselves to be a fantastic team as they devastated the Giants, 42-8. Scarborough had the best game of his career, as he scored 3 times during the night. Chapman and Cooper got into the act, with Jakobic making all of his kicks. At halftime, Jane Carroll was crowned Queen with Becca Loeb 1st Attendant. This Homecoming win was the third in 15 years for Upland and the second in a row.

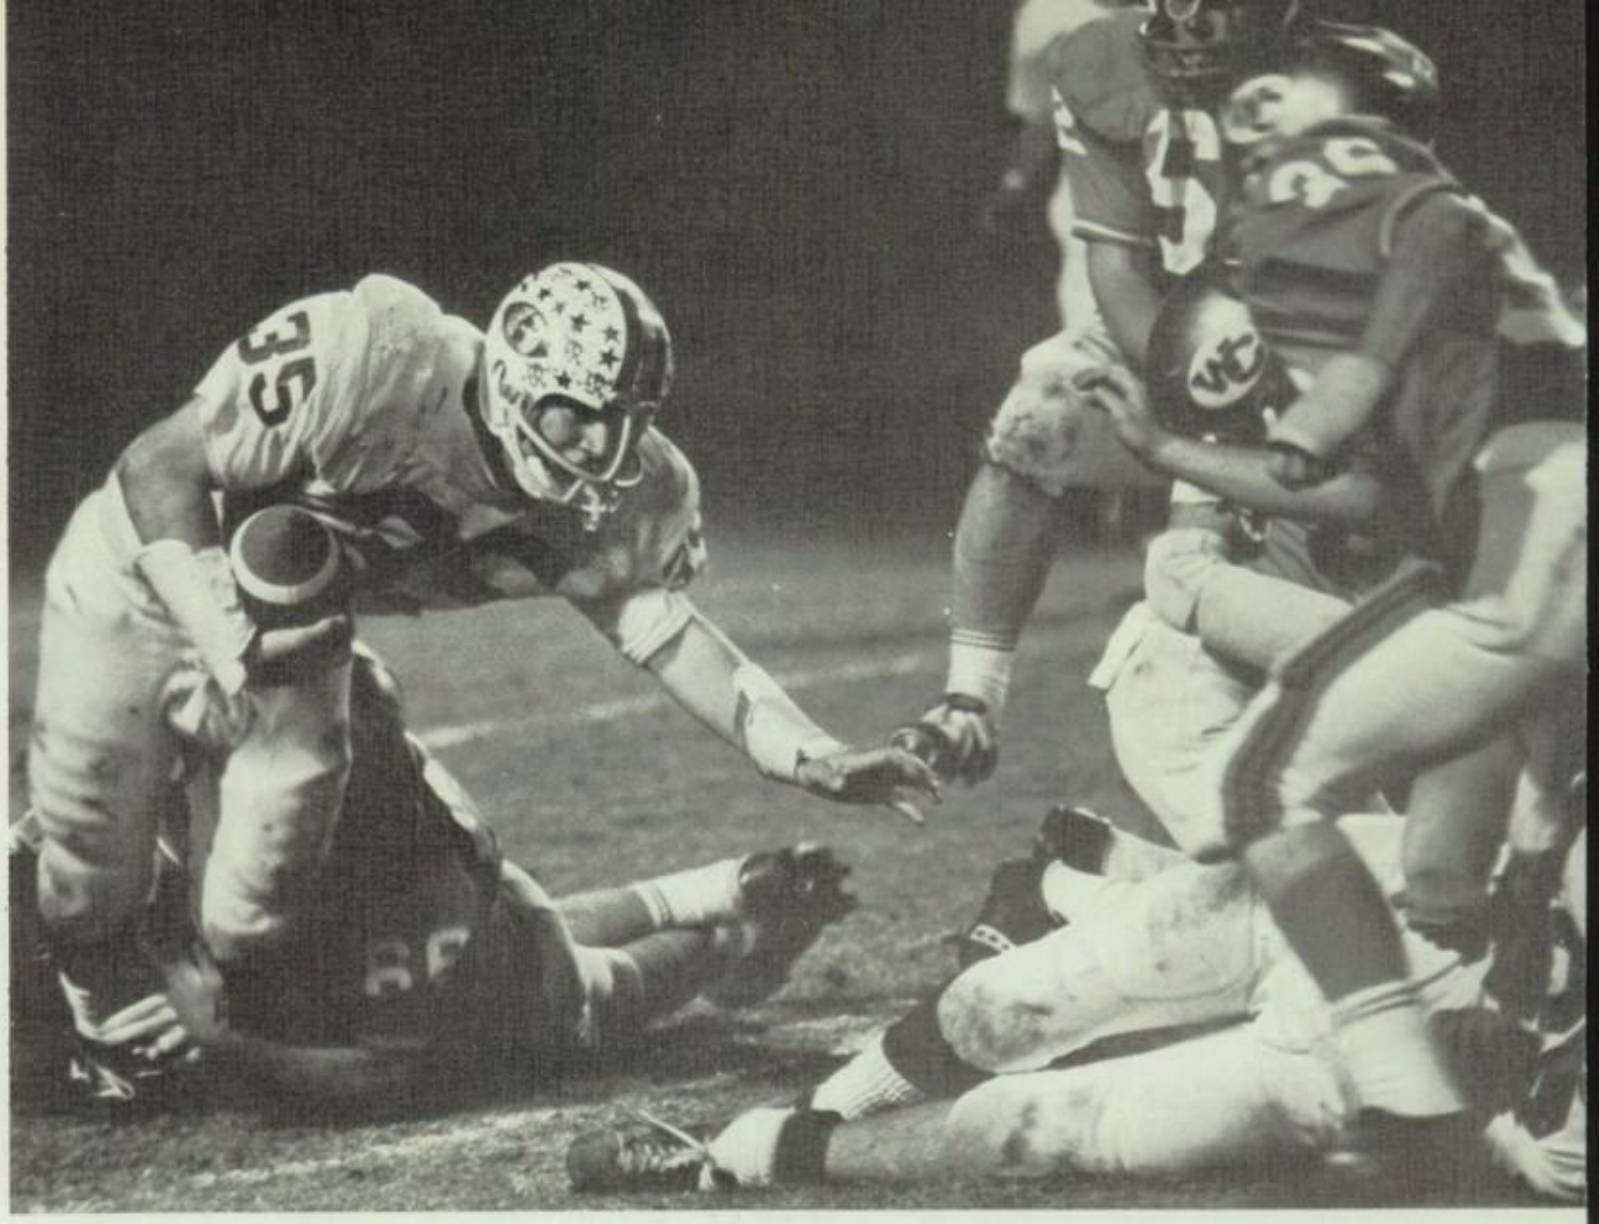
The Claremont Wolfpack was the next team to meet the Scots. Playing at Citrus College, Upland humbled the Wolves, 48-6. Defensive halfback, Tom Littleton played a perfect game as he intercepted 3 passes while recovering a Claremont fumble and running it 55 yards for the score. Cooper, Boring, Chapman and Scarborough all scored, and Jakobic made six out of seven kicks.

Then came the game everyone waited for. As 7,000 fans watched, Upland avenged its defeat of last year, overcoming Bonita 16-7 and ending an 18-game winning streak in league for the Bearcats. Scoring for Upland were Cooper and Boring and it was Jakobic who made the 19-yard field goal. Upland's defense, led by Cooper, Littleton, Jeff Gillman and Gary Fowler was remarkable as it held the 'Cats to only one touchdown. This win almost assured Upland of being SAL champions and made them 4th in CIF.



Next to confront the Highlanders was Montclair. Against the Cavaliers, Upland had no trouble posting a 48-13 victory. One highlight of the game was a 90-yard kickoff return for a touchdown by Rocky Chapman and another was a 65-yard run by Grant Cooper. The only other Highlander to score was Scarborough, as Cooper and Chapman dominated the scoreboards with three touchdowns each. However, Scarborough used his other talents as he passed 48 yards to Chapman for six points. On the defensive side, Larry Hendon intercepted two passes and Gary Fowler, one, with Larry Schmidt, Tom Glasheen, Cory Chapman and Joe Browning all contributing. As a result of this game, the Highlanders now became the San Antonio League Champions.

The last league team the Highlanders had to face was Garey. Once again, the Scots came through, this time with a 41-12 victory that left them undefeated in league play. Chapman was forced to leave the game with a sprained ankle, but not before he had scored three times, which gave him the league scoring title of 84 points. The defensive work of Cooper, Littleton, C. Chapman, and Browning, held the Vikings to their lowest score of the season by recovering three fumbles, intercepting two passes, and keeping Garey from scoring when twice they came within a foot of the goal. Cooper added two touchdowns and Jakobic made 5 out of 6 kick attempts. Now that league play was over, the Upland Football team would look forward to CIF.



The first CIF game was against Bellflower at Chaffey High School. The score was close throughout the game, with Mike Jakobic's 39-yard field goal winning it for Upland. Neal Boring made the only other score and Chris Carter and Gary Fowler both contributed well to the defense. The score at the end of the game was, Upland 10, Bellflower, 7.

The second game was against La Quinta, played again at Graber Field. The Highlanders played their best game of the year, which brought them into the CIF semifinals. Touchdowns by Neal Boring and Chris Carter (two each), and Mike Scarborough (one), all helped to bring about the win, while the defensive work of Littleton, C. Chapman, Fowler, and Jerry Stafford kept the Aztecs to one touchdown. This time the score was, Upland 35, La Quinta 7.

The third game in CIF play was against West Covina at Citrus College. It was there the Highlanders ended their 1972 Football season. Linebacker Larry Hendon was knocked out in the second quarter of play. After about 4 minutes he managed to leave the field on his own power.

The longest football season in the history of Upland High School was over, West Covina 24, Upland 11.

team. Led by Coach Loney and Coach Hughes, they ran away with the San Antonio League title and then went on to win the California Interscholastic Federation AAA Championship.

Gordon Innes was the SAL champion for the second year in a row. He also placed first in the Glendale Invitational and was co-champion along with Bob Kryczko in the Chaffey District Meet. Bob Kryczko also placed third in the Pacific Invitational. In CIF-running, Gordon Innes was number one and Bob Kryczko placed eighth.

The team won the SAL Dual Meet for the fourth straight year; they were the Champions in the Glendale Invitational; the Chaffey District Champions; and the Sweepstakes winners in the Pacific Invitational Meet. The Junior Varsity and Frosh-Soph teams also placed first in SAL. The J.V.s were the Dual Meet Champions, with the Frosh-Soph the runners-up. Both teams were the Chaffey District champions and the Frosh-Soph were the Glendale and the Pacific Invitationals Champions.

They were: goalie Rick Coyle (third year), Captain Roger Birks (second year), Captain Rick Accomazzo, Tom Miller, and Ken Wolfe. Dan McCarthy was the only Highlander on the second team, with Brian Metcalf, Gabe Poll, and Bob Lamont all receiving honorable mention.

Rick Coyle had 195 saves during the year and Roger Birks was the leading scorer with 56 goals. Tom Miller and Ken Wolfe each made 26, and Rick Accomazzo had 20.

Basketball

The 1971-72 Upland High School Varsity team netted a year of excitement and appreciation from the student body. This team consisted of only two members with previous varsity experience, Kraig Greiner and Bob Iverson. The squad came up with a combination so cohesive that they completed the season with a second place berth in the league. Marked by the "experts" to have a poor season, the Highlanders raised some second thoughts when they defeated Compton, 64-59. The second round league game against Claremont furnished a perfect example of their combined team effort. At one point in the game, the Highlanders were down by 13 points and then outscored the Wolves 21-0 in the next eight minutes. The Scots won the game, 70-63. With the season's end, Bob Iverson claimed three new records: 520 points and 158 assists in a single season, and 33 points in one game. The culmination of an outstanding season was the Awards Banquet, held at the Upland Inn. Voted the Most Valuable Player was Randy Nickolei. The Best Defensive Man on the squad was Jeff Goodban. The Most Improved Player was Dave "Satch" Sanders. Kraig Greiner was the Most Inspirational, with Curtis Oldencamp receiving the Free-Throw Award, making 76 per cent of his shots.

Again this year the Upland High School

Wrestling

team proved to be too much for other San Antonio League teams. They devastated all opponents on their way to capturing the SAL title. Under the excellent direction of Coach Beresford, the Green and White went undefeated in all league meets. No other team could come close.

Hosting the San Antonio League finals in our own gym, the Highlanders left no doubt as to who had the superior team. They outscored all the other schools with a total team score of 99 points.

Mike Pardue, Scott Towle, and Corey Chapman won first place in their weight divisions while Rich Cozart, Cliff Brown, and Dave Allen all placed second. Bruce Barmakian, Oscar Kornblatt, Tom Littleton, Steve Price and Dennis Leazott placed third, and placing fourth were Jim Jeffryes and Ricardo Hermocillo. In doing this the entire U.H.S. team qualified for CIF. The Scots never came away empty-handed from any of the tournaments. At Roubidoux they came in first place with Cozart, Jack Glasheen, and Towle all placing first and Price in second with Bob Harvey taking a third. At the Fullerton Tourney they came in second with Glasheen, Cozart and Littleton placing first, Towle in second and Pardue with a third.

In the Upland Frosh-Soph Tourney, Upland's team came in third place. Glasheen and Corey Chapman placed first, Barmakian and Don Fields second, Dave Allen and Ricardo Hermocillo each took a third with Dave Standlea and Phil Lyle placing fourth.

Wrestle Sprouts

is a group of girls who assist the wrestlers and the coach at the matches and tournaments. Formed in 1971 by Coach Beresford, it consists of about 15 girls who time, keep score, and run concessions. They also plan the home tournaments, such as the Frosh-Soph Tourney and the SAL League Finals. They are in charge of most of the publicity for the Wrestling Team and they also try to raise money to support their activities. The girls represent all grade levels. Their main purpose is to give the wrestlers the spirit and backing they deserve.

Well school is almost over. It sure went fast, didn't it. I hope next year we have some classes together. Even though you're going to summer school we've got to get together and do something fun. By then, if I'm lucky, I'll have my license. Well.....

The Varsity **Baseball** team pitched the final highlight in our outstanding UHS sports' season. Boasting Mr. Christian as coach and the talents of returning lettermen, Brian McLaughlin, Steve Tarbell, Bruce Miller, Dave Hill, and Gary Walden, the Highlander team began a fantastic season with a sweep of the third Chaffey District Tournament. Beautiful Upland Memorial Park provided a home field for a team, with great enthusiasm and much team spirit.

G.A.A.

The Girls' Athletic Association is for girls who enjoy sports and meeting other people. It gives them a chance to play competitively against other schools. Our G.A.A. is in the SAL, which consists of 7 schools. Next year they will go to CIF for the first time. They compete in tennis, volleyball, swimming, field hockey, basketball, track, badminton, and softball. Upland does very well and places in the top three in SAL.

This year our GAA held sports tournaments for the 5 junior high schools in our area. GAA keeps growing every year and now has 165 members. The GAA advisors stress good sportsmanship, scholastic achievement, and a good attitude off the court as well as on the court. This year's officers were: Janet Standlea; Pres., Jody Browning; V. Pres., Kathy Gray; Sec., Marie Hollis; Treas., Kathy Browning; Ad-Mgr., Debbie Vakerics; Sr. Rep., Jody Rhoutsong; Jr. Rep., Jody McGinnis; Soph. Rep., Robin Wilson; Frosh. Rep.

Seniors From Around The World

MARK SCHNEIDER
United States

Last summer Mark traveled to Spain as an AFS student. He stayed in Palencia with the Victoriano Aguado family during his two month visit. Mark traveled through Spain's beautiful countryside to the Southern coastline cities of Cordova and Granada. He swam in the Mediterranean Sea and tasted a variety of foods, including rabo-de-toro (tail of the bull).

FRED BILBAO
Bolivia

From way down in South America, Fred came to the U.S. from Santa Cruz last May. Unlike most of our foreign students, he lives with his sister and brother-in-law. Fred enjoys playing soccer and baseball, and finds hamburgers delicious.

FRED BRUCE-OLIVER
Gambia

Fred comes from a small country in Africa. His smile has become a familiar sight around campus. He came to the U.S. to complete his schooling. Since he arrived he has been staying with Mrs. Irene Wolfe, and has traveled into Northern California. He likes to play baseball and enjoys Mexican food.

KAJ HEYMAN
Sweden

Upland's YFU exchange student this year, Kaj, is from the small island town of Lidingo, which is near Stockholm. Since August he has been staying with the Phipps family. He enjoys swimming, surfing, water polo, and snow skiing.

JOSEF KOGLER
Austria

Our only AFS student this year, Joe, comes from a small farming village, Munderfing. He has been staying with the Thomas family since August and has traveled across the U.S. from New York to California. An active AFS member, he has supported many school functions. Joe enjoys skiing and going to the beach, and thinks tacos are great.

TARKA GURUNG
Nepal

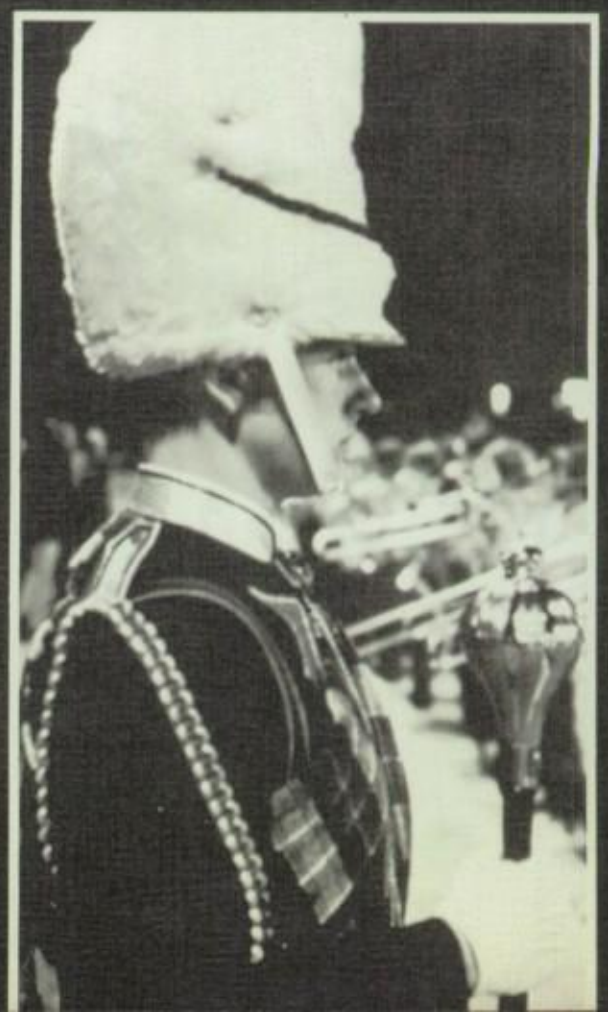
Although not a foreign exchange student, Tarka came to UHS from Asia two years ago. With his guardian, Jim Morris, he has traveled a great deal in the U.S. Tarka enjoys playing soccer, basketball, and volleyball. His favorite new food is stew.

Farewell to you and the youth I have spent with you.

It was but yesterday we met in a dream.

You have sung to me in my aloneness, and I of your longings have built a tower in the sky

But now our sleep has fled and our dream is over, and it is no longer dawn.

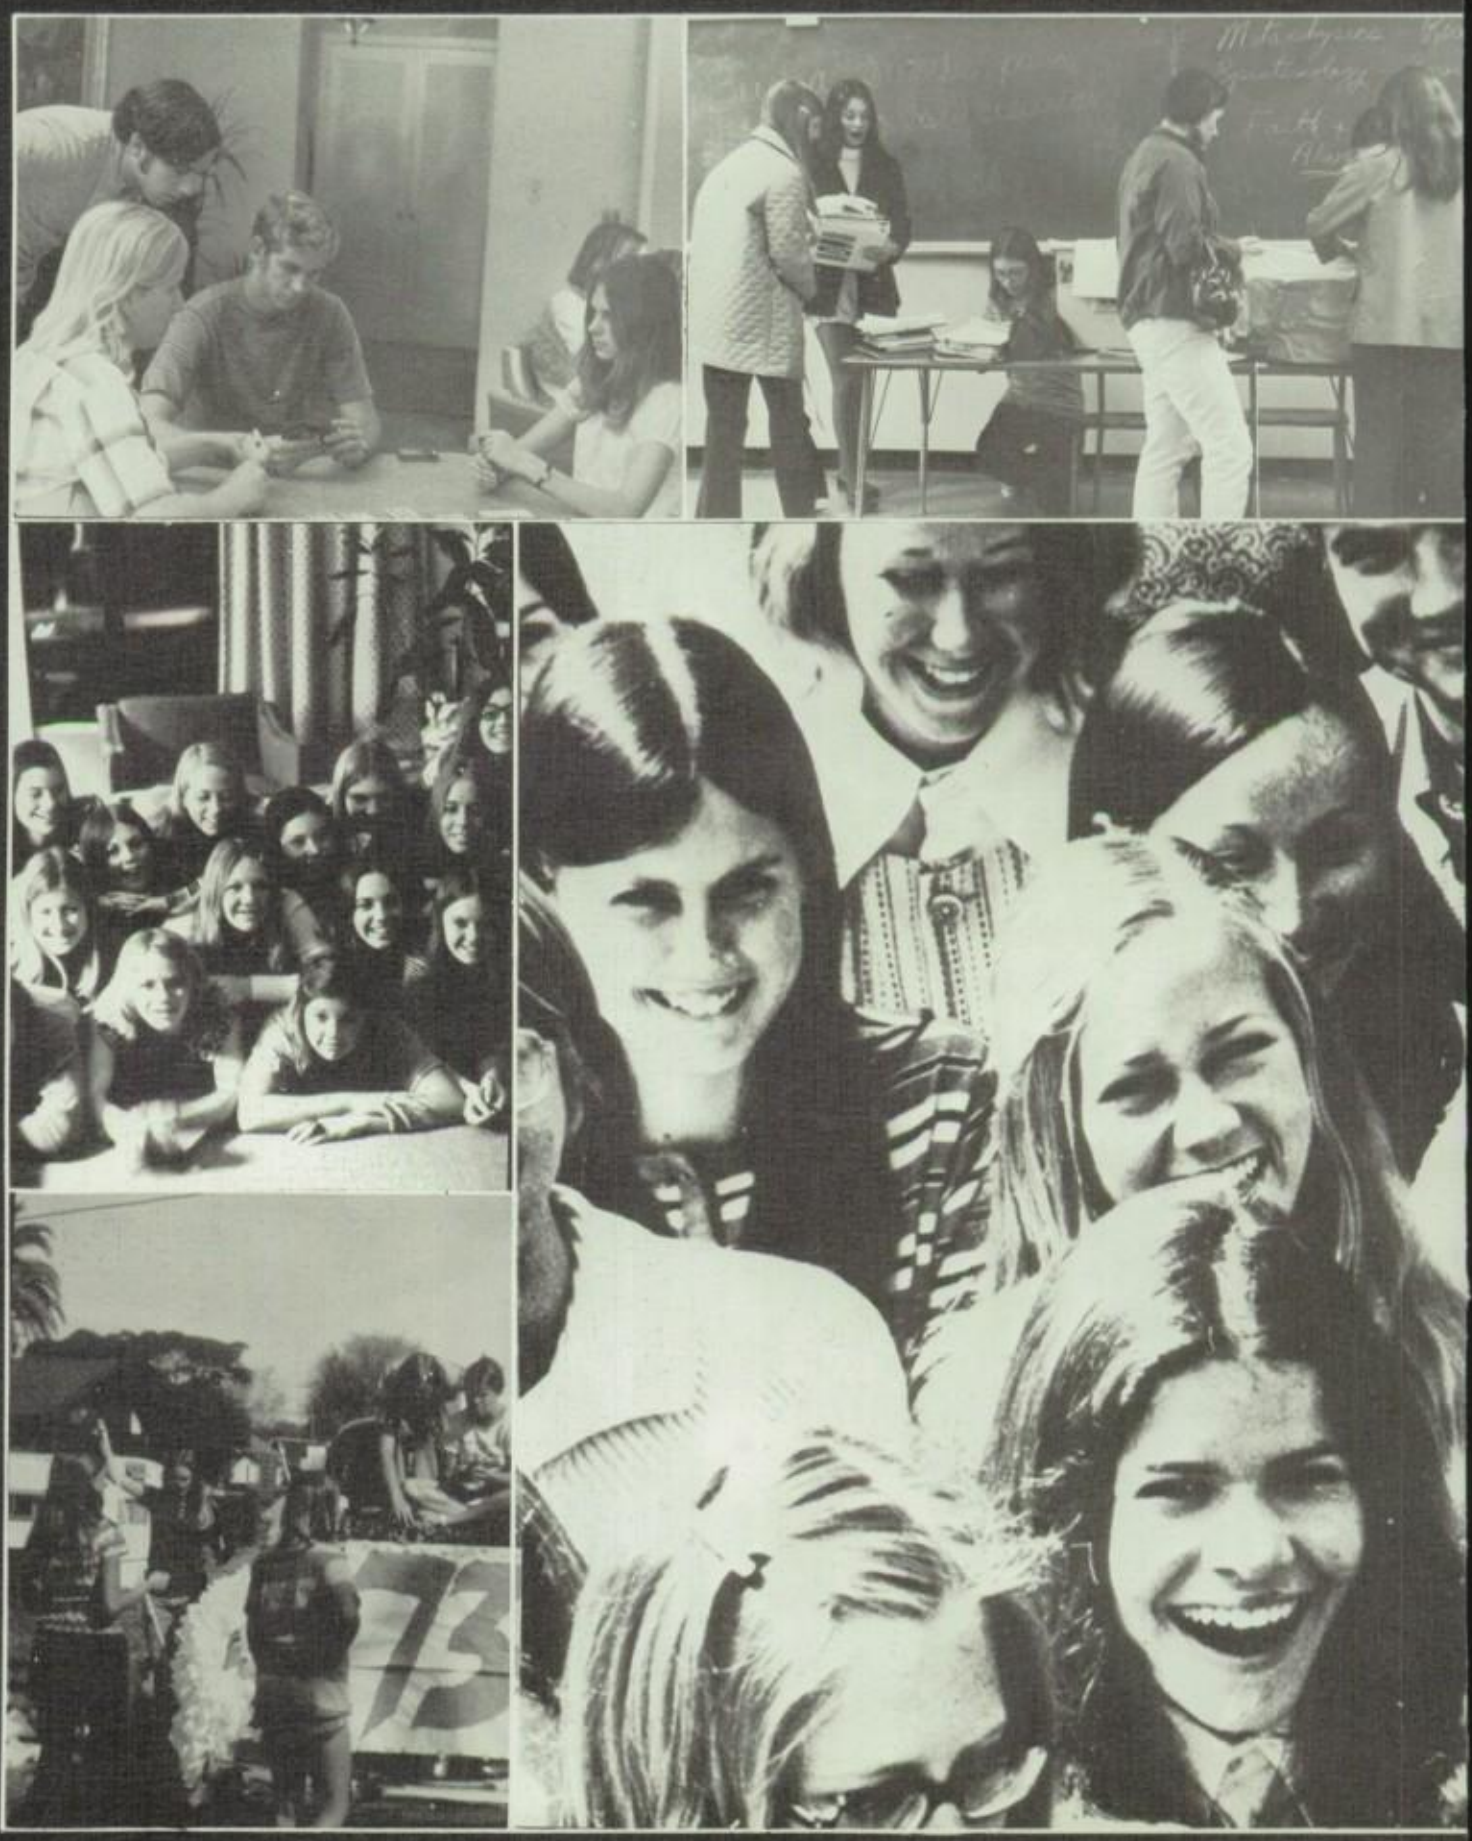


The noontide is upon us and
our half waking has turned a
fuller day, and we must part.

If in the twilight of memory
we should meet once more we
shall speak again together
and you shall sing to me a
deeper song.

And if our hands should meet
in another dream, we shall
build another tower in the
sky.

- Kahlil Gibran



CLUBS

The club of the year for 1971 was the **Xyphians**

They are a senior club whose purpose is to serve our school and community. To fulfill this goal they participated in St. Jude's march and made nightgowns for the children in Pacific State Hospital. They served at the football banquet and made signs for our games. At Christmas time they collected cans for Christmas baskets and ushered at the Senior Citizens' Christmas Program. For fund raising they held an after game dance.

The Ashirians

(right) are sophomore girls with a high ideal: to do their best to make the world a better place in which to live. Toward this end, they collected over 200 cans of food in a canned food drive, served at a guard's assembly for Pop Warner football, and at Upland and Arlington Convalescent Hospitals at Christmas. On the lighter side, the girls have had two bake sales, and are planning to spend a week at the beach sometime in August.

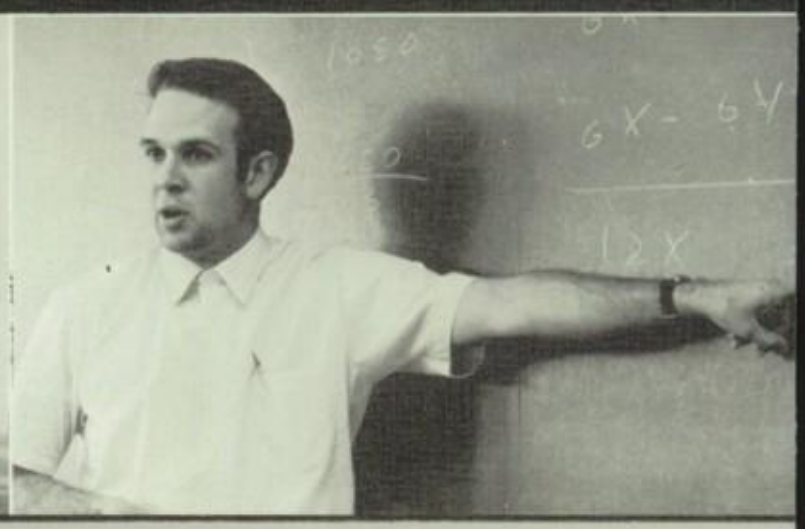
Sophomore Class Officers (L. to R.): Steve Agic, treasurer; Sandi Reynolds, secretary; Jacque Brownell, vice president; Bob Mathisen, president.

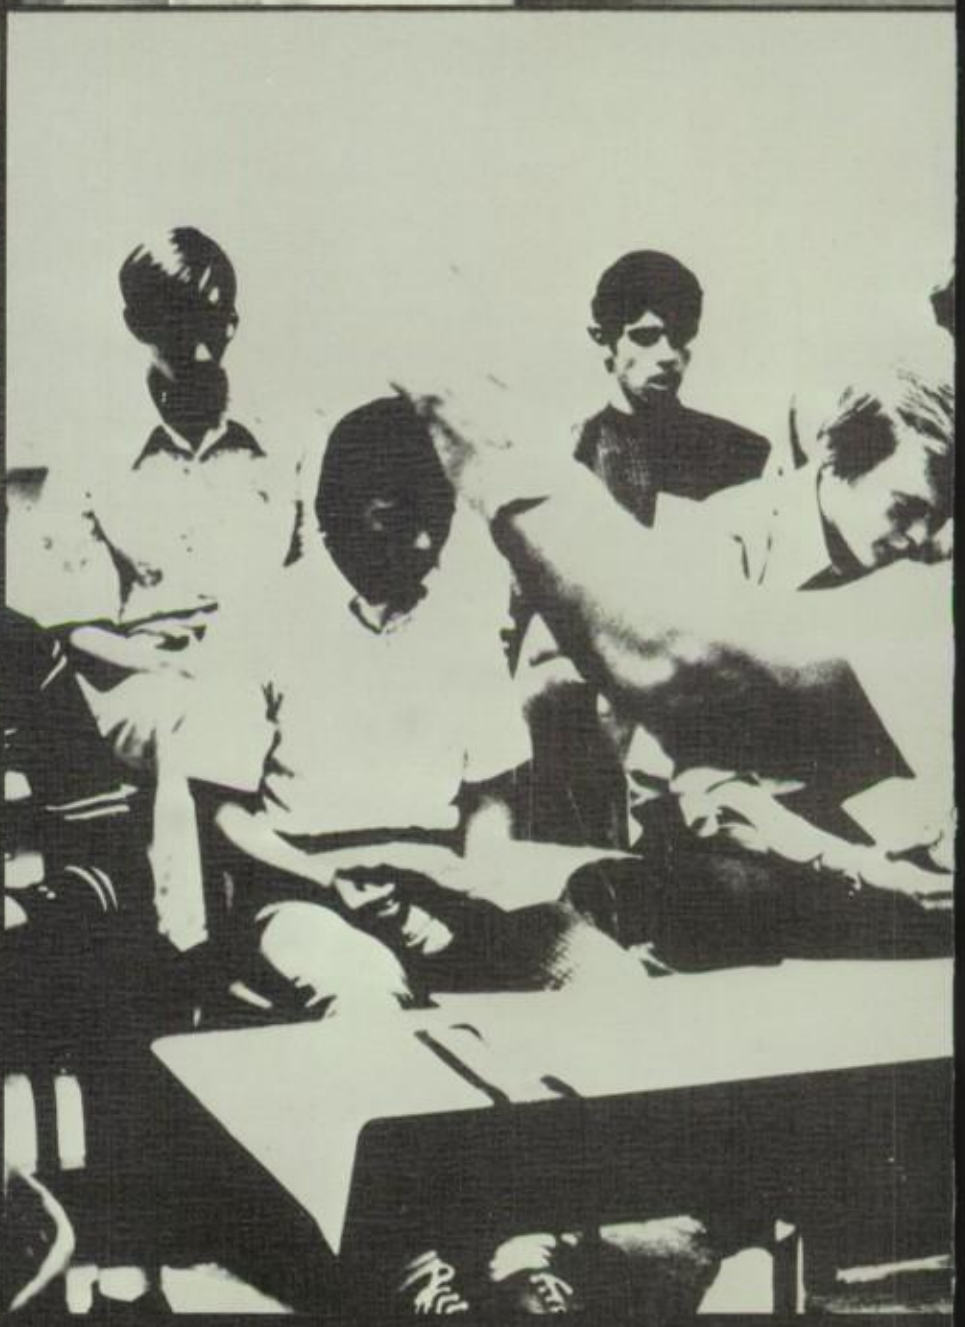
Junior Class Officers (L. to R.): Barry Skovgaard, vice president; Sol Feldman, president; Liz Sanborn, treasurer; Shelley Marburger, secretary.

Freshman Class Officers (L. to R.): Carolyn Rietkirk, president; Wini Sorensen, vice president; Kristy Camp, treasurer; Pam Lacey, secretary.

Underclass Officers,

obviously a fun-loving group, took time out from their leisure activities to plan and work for the betterment of their school. Their involvement is characteristic of the spirit that class officers possess. The many activities they have helped to organize and promote have added to everyone's enjoyment of this school year.





FACULTY

Kathy,
Even though all we did was eat lunch at the same table that's enough I mean that's enough to get to know you. See you next year —

the Administration at

U.H.S. does many things for the school that you might not be aware of. Mr. Lair is in charge of guidance and discipline, which can account for a lot of headaches. Mr. Campbell has been busy with the scramble system, which was used for the first time at Upland this year. Mr. Lowe coordinates all of the student functions (dances, assemblies, rallies). Mr. Spencer holds a position of responsibility to the school and the community. One of the main concerns of the administration, according to Mr. Spencer, is to make the classes more meaningful for the students. A major consideration is finding teachers who are dedicated to teaching.

The Yearbook Staff

has had the challenging opportunity of putting together a book of Upland High's activities during the 1971-72 school year.

Many nights, in addition to the regular load of homework, the staff has worked on assembling proofs, layouts, and hundreds of nameless pictures into what has emerged as a history book for an entire year.

As a spokesman for the staff, I would like to thank Mr. Church, our Taylor Representative, for his help in many areas. Our special thanks goes to Mr. Rhodes, our Yearbook Advisor, who has not only coped with day to day disasters and monthly deadline worries, but managed to do so with a sense of humor.

I hope that the Hielan is kept and used as a reference and that it will bring back pleasant memories in years to come.

Bev Potter,
Hielan Editor

KATHY:

WELL ALTHOUGH I NEVER KNEW YOU BEFORE this year I really feel as though I've known you all my life. We really had a great year didnt we? Hope that next year will even more promise that more. I'm only glad that this sent our last year cuz then we'd never see each other after. But we do have two more years to have left. As for water polo statistician this year I'm really glad. We're going to have and next year. Thanks for putting up with me & my whims. I don't know how I would have powered out my troubles now - had you not been there. I don't know how long I'll continue to like Dan but as for him - like 5 we just as "friends" (cos narrowed down only to him) I do like him a lot. ^ I hope you straighten brain out. Life is too short to be depressed too long at a time. I hope you get the most out of life. And accomplish what you want to do. We will have to get together more this summer since were not in the same class.

Your friend forever
Patti.

Kathy)
